About the IEC

The International Electrotechnical Commission (IEC) is the leading global organization that prepares and publishes International Standards for all electrical, electronic and related technologies.

About IEC publications

The technical content of IEC publications is kept under constant review by the IEC. Please make sure that you have the latest edition, a corrigenda or an amendment might have been published.

Useful links:

IEC publications search - www.iec.ch/searchpub

The advanced search enables you to find IEC publications by a variety of criteria (reference number, text, technical committee,...).

It also gives information on projects, replaced and withdrawn publications.

IEC Just Published - webstore.iec.ch/justpublished

Stay up to date on all new IEC publications. Just Published details all new publications released. Available on-line and also once a month by email.

Electropedia - www.electropedia.org

The world's leading online dictionary of electronic and electrical terms containing more than 30 000 terms and definitions in English and French, with equivalent terms in additional languages. Also known as the International Electrotechnical Vocabulary (IEV) on-line.

Tasks and responsibilities delegated to the IECEx Executive

Given that Clause 8.11 of the IEC CA 01 (Harmonised Basic Rules) states that

“The Executive Group of the IEC CA System provides an advisory function and are empowered to make operational decisions between MC meetings, as delegated to them by the MC”

the IECEx Executive is empowered to make operational decisions between ExMC meetings as delegated to them by the ExMC according to the list in this document.

While the following list is expected to be revised over time, upon publication of this document, the tasks and responsibilities delegated to the IECEx Executive by the ExMC exclusively includes the following:

- 1) Monitor the effective promotion strategies and activities of the System and make any recommendations to the ExMC
- 2) supervision of the processes of voting on reports of assessments and re-assessments of ExTL's and ExCB's throughout the year. This entails the tabulation of reasons for negative votes and any associated development of proposed resolutions for all initial assessments, surveillance assessments and re-assessments of applicant and accepted IECEx Testing Laboratories and Certification Bodies. Where assessment reports attract unresolved negative votes from the membership the reasons for negative votes and the proposed resolutions shall be circulated to member bodies to enable reconsideration of their original vote.
- 3) Preparation of actions on CAB related items for proposal to ExMC.
- 4) Assistance with the preparation of meetings of the ExMC
- 5) Investigation and mediation of complaints and instances of violation of IECEx Rules of Procedure that are not resolved as referred by the Secretariat. .
- 6) Supervision of actions subsequent to decisions in response to violation of the Rules of Procedure.

These will be supported by the ongoing work of the IECEx Executive Secretary and IECEx Secretariat staff in fulfilling the requirements of IECEx CA 01.
