Nomination Letter from Mr XIE Jun

Mr. Chris Agius
IECEX Secretariat
April 8, 2005

Dear Mr. Chris Agius,

In response to your call of nominations for the IECEX Vice Chairman dated April 5, I am glad to inform you that Certification and Accreditation Administration of the People's Republic of China (CNCA) officially nominates Mr. LIU Weijun, Director General for Certification of CNCA, as candidate for the IECEX Vice Chairman. CNCA is aware that the IECEX's work is an extremely important part of the IEC and hopes to continue the active contributions by its representatives.

Mr LIU Weijun has been personally engaged in certification management since his graduation from MS program in 1989, and has been deeply involved in the development of the new compulsory certification system in China (CCC certification). He plays very important role in the policy making of the CCC certification and heads his department in supervising the implementation of the system on a daily basis. He is also one of the key promoters of the development of the voluntary certification in China.

Besides, as JAC Chair of APEC/SCSC EE-MRA, Mr. Liu leads the initiative to promote mutual recognition on conformity assessment in electrical and electronic equipments in the Asian Pacific region.

CNCA strongly believes that his involvement will contribute greatly to the worldwide growth of the IECEX scheme.

We thank you for your careful consideration and support.
