Subject: 2012 CMC Meeting Agenda, New item, *DRAFT ISO/IEC CONFORMITY ASSESSMENT PUBLICATIONS THROUGH THE IEC CONFORMITY ASSESSMENT BOARD (CAB), (CABPUB/67/CDV)*

Dear Mr. Agius:

The USNC/IECEX suggests placing CABPUB/67/CDV as an agenda item to the 2012 IECEX CMC Agenda, IEC National Committees have been invited to vote on this CDV by 2012-12-07 and they have been strongly encouraged to consult the IECEE, IECQ and IECEX communities in their country. We believe that a discussion of DIS 17067 is needed in order to understand the impact it may have to the IECEX System and to assist national committee in preparing a national position.

Sincerely,

Secretary, USNC/IECEE
