## Manufacturing HazLoc Considerations:

- ❖ Not all NRTLs have agreements with each other to accept testing
- ❖ Not all accredited to provide ATEX/IECEX directly
- ❖ Each NRTL must conduct quarterly audit

## Audits:

### ❖ NRTL

- Quarterly
- On site 1-2 hrs
- Review product only

### ❖ IECEX

- Yearly
- On site 1-2 days
- Review all product, processes, and training records

### ❖ Other Country Audits

- Brazil, Korea, Russia, Ukraine, etc.
