<u>RO</u> <u>Romania</u>	Ref. on the Cap. 2 of the Report for ACB. I'd like to note a reserve on the impartiality of the NEMKO candidate ACB assessed, having in view the structure of the ACB as a section of a large organisation which may have some interests in the ACB activity. Please some more details on this part of the assessment.	The Secretary raised RO's concerns with the IECEX Assessment Team Leader for NEMKO for further investigation.	The IECEX Assessment Team Leader for NEMKO provided a satisfactory resolution to the concerns of RO. On this basis Romania submitted a positive vote. The final vote for the acceptance of NEMKO as an ACB within the IECEX Scheme was concluded at the ExMC Meeting held in Bern, October 2001.
