Dear Chris,

**RE: IECEX 2008 INDUSTRY SYMPOSIUM**

We would like to express our thanks and appreciation to you as the IECEX Secretary and to IEC-APRC for cooperating with us to host a very successful IECEX 2008 Industry Symposium (30 - 31 January 2008 in Brunei Darussalam) which was well attended by over 160 participants from industries, suppliers, manufacturers, certification and testing bodies, government regulators and stakeholders interested in standardization activities.

The symposium identified a number of outcomes and in particular, we wish to highlight that the issue of personnel competency was raised. As organizers of the symposium, we would like to convey that the symposium supports the introduction of personnel certification scheme, and we hope that this will be realized in the very near future.

Thank you for your kind attention. We look forward to our continued cooperation.

Yours sincerely,
